The devoted faculty and staff promote critical thinking and academic achievement in an intellectually stimulating environment.

at our campus-based undergraduate research symposium or at professional conferences.

Internships and Co-ops

At Penn State Brandywine, 83 percent of graduates complete at least one internship. We emphasize the importance of internships to apply classroom learning to real world experiences. Advising and Career Services helps students prepare for life beyond Brandywine, from choosing a major to pursuing experiential learning, employment or further education.

STUDENT LIFE

The Brandywine campus has twelve varsity-level intercollegiate sports teams. Our student-athletes compete in the Penn State University Athletic Conference (PSUAC) and the United States Collegiate Athletic Association (USCAA).

Brandywine also offers various intramural sports throughout the school year.

Penn State Brandywine opened its first residence hall, along with a new student union, in August 2017. Orchard Hall offers convenient and comfortable on-campus housing for 250 students.

The Blue Apple Café is a full-scale food court offering an extensive menu of freshly prepared as well as grab 'n' go items.

VAIRO LIBRARY

Vairo Library offers over 50,000 books, DVDs and leisure reading materials, with electronic access to millions more library materials and full-text research articles to support your studies. Facilities include group study areas, quiet individual work spaces, a multimedia studio, and writing/STEM/tutoring assistance centers.
